GST and Insurance Requirements

If you are registered for GST purposes and have an entitlement to claim an Input Tax Credit (ITC) for GST paid on your insurance, you are required to inform your insurer, at or before the time of any subsequent claim, of the extent to which you are eligible to claim an ITC.

The amount that we are liable to pay under this policy will be reduced by the amount of any ITC that you are or may be entitled to claim for the supply of goods or services covered by that payment.

If you are liable to pay an excess under this policy, the amount payable will be calculated after deduction of any ITC that you are or may be entitled to claim on payment of the excess.
